v.

JOSEPH E. HOLLAND, as County  
Assessor, etc.,

Defendant and Appellant.

(Super. Ct. No. 30-2009-00303518)

Respondent Bombardier Aerospace Corporation filed a petition for rehearing on July 6, 2012. It is ordered that the opinion filed herein on June 21, 2012, be modified as follows:

On page 19, in the paragraph that continues from page 18, delete the sentence beginning “When any aircraft is not being used,” and replace it with the following new sentences:

When any aircraft is not being used by one of the fractional owners, Respondents retain the right to use the aircraft for their own purposes. These purposes may include use of the aircraft to train pilots or for marketing their fractional use programs. Respondents

may also lease the aircraft directly to nonfractional owners or to third parties who in turn sell their aircraft time to nonfractional owners; in either event, Respondents are making money on the aircraft which is not shared with the fractional owners.

This modification does not effect a change in the judgment. The petition for rehearing is DENIED.
